Sexual Compulsives Anonymous is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem and help others to recover from sexual compulsion. The only requirement for membership is a desire to stop having compulsive sex. There are no dues or fees for SCA membership; we are self-supporting through our own contributions. SCA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sexually sober and to help others to achieve sexual sobriety. Members are encouraged to develop their own sexual recovery plan, and to define sexual sobriety for themselves. We are not here to repress our God-given sexuality, but to learn how to express it in ways that will not make unreasonable demands on our time and energy, place us in legal jeopardy -- or endanger our mental, physical or spiritual health.

SCA is a 12-Step fellowship, inclusive of all sexual orientations, open to anyone with a desire to recover from sexual compulsion. We are not group therapy, but a spiritual program that provides a safe environment for working on problems of sexual addiction and sexual sobriety.

There are no requirements for admission to our meetings: anyone having difficulties with sexual compulsion is welcome.
